Happy Independence Day

President's Corner for July

Happy Birthday USA and welcome to the "Dog Days" of summer. Celebrate the dynamic opportunities you have here in America; and, remember the cold we experienced during the MaiFest last month. We have every reason to be happy!

Please look at the club newsletter below for the details on the club's summer picnic. The best way to celebrate "Life" in America. July is the "Hay Harvest" month in Germany and America due to the consistently strong sun turning the grass golden and dry. As a result of the harvest, we have wheat for the bread and meat for our meals. Let us celebrate the bountiful harvest to come in July 2021.

I hope everyone enjoyed the Italian meal at Louie's. The event was well attended, we expended some of our pent-up COVID-19 energies much to the enjoyment of Louie's regular customers. There was no doubt they heard our celebration. Well done everyone!
