

GERMAN/AMERICAN EDELWEISS CLUB

APRIL 2021 NEWSLETTER

Currently the Club is not meeting due to Covid-19 restrictions. Please see calendar regularly and make sure your contact info is up to date so we can communicate last minute changes. Thank you.

President's Corner

The club is continually monitoring the COVID situation and government guidelines. We are officially in Spring time, and most of our club members have received their vaccine shots. Now, we can start planning some fun activities. Our first official club meeting will be our Maifest on 21 May at the Kleiner park in Meridian. Details will follow. Monthly bowling continues to entertain members. Bunco parties are another possibility each month if the club can consistently attract 12 members. We would like to start a walking group on Saturdays so our younger members can participate. We will start out at lunchtime at he Eagle Bardenay, have lunch and walk by the Boise river. We are trying to find activities for our club members to enjoy, but we really need your input. What would like to do as far as smaller group activities? Hope you are all in good health and enjoying the warmer temperatures.

Charles

We would like to Welcome all New Members so far this year.

Our newest Members, Ursula and Peter Krause have recently moved to the Meridian Area and joined us for Bowling last month. Welcome.

Thank you to all Members for your support and advertising of our Club. We could not make this Club grow without you. Lets continue to support each other as we move ahead with Meetings, festivities, and all kinds of Club functions.
