### MARCH 2022 PRESIDENT'S CORNER

March is the beginning of Spring in the northern half of the world. The meaning of March comes from ancient Rome. March was called in Latin martius mensis or the month of Mars for the Roman God of war. Ironically, this year the month of March has a special meaning with the on-going Russian-Ukrainian War. We pray the conflict comes to a speedy, peaceful end for the Ukrainian people. If you know American-Ukrainians, give them a special thanks for the outstanding spirit of their people.

Earlier February the club had a nice get-together at the Paramount Community Center to watch a German Krimi. Thanks to Jack and other club members who made the event possible. A special thanks to the several club members who volunteered their names for open club positions. March elections will be held at the same Paramount Center, and we are hoping for great participation.

Warmer temperatures are hopefully approaching, and we will start the Wander Gruppe in March.
